

## Dennis J. Hamilton Joins Payment Alliance International

### Industry Leader Will Add to Experienced Management Team

Louisville, KY – January 29, 2007 – Payment Alliance International, PAI, a growing force in today's Payment Processing industry, announced today that Dennis J. Hamilton will join their Management Team as Senior Vice President of the Partner Services Group. Dennis will spearhead the company's aggressive expansion into the wholesale ISO business.

Dennis brings to PAI a wealth of knowledge and experience from his over 25 years in the financial services industry. Most recently, Dennis was with Global Payments Inc. as the Director of Business Development in their Third Party Acquiring Group where he served Independent Sales Organizations (ISOs) and Financial Institutions. Prior to joining Global, Dennis was with Concord EFS (now First Data) as Vice President of Client Relations and Implementation for the ATM/POS/Debit Card acquiring services division responsible for both ISO clients as well as Financial Institutions. Dennis has also served as Vice President with the Banking Services Division of Fiserv, Inc. (formerly a division of First Financial Management Corporation - FFMC) where he was responsible for supporting financial institutions utilizing their host based and PC based services. Additionally, Dennis has worked for Automated Data Processing (ADP) and began his career with Chase Manhattan Bank. Dennis has a BS Degree in Business Management from St Francis University in Loretto, PA.

"As we continue our push into this important market, we need a leader with Dennis' knowledge and experience." says Bill Blakey, Executive Vice President of PAI. "No one has had more success in building winning ISO programs than Dennis and we are excited to be adding such a seasoned profession to our team."
